mc30duoSet

for pipes from 15 to 200 mm

2-in-1 sewer, water & drain video pipe inspection camera, cable reel and monitor.

The mc30 Duo dual-reel system comes with two cameras attached to two separate cable reels built into one complete maintenance free CCTV push system. The inner reel features a flexible push-pull cable with a 13 mm diameter camera for the smallest pipes, and the outer reel features a stiffer push rod and a 29 mm self-leveling camera for larger diameters. 512 Hz sonde or 33 kHz available for special order.
