

STONEMAGNET SM-HANDY-120

The handy vacuum lifter for quick and safe installation

Up to 2 hours of continuous operation

Hand-held vacuum lifter for non-porous concrete slabs, natural stone, tiles, and other non-porous slabs. With a suction time of just 2 seconds and a battery life of up to 2 hours, the SM-HANDY-120 enables a swift and efficient workflow. The robust two-component housing ensures a secure grip. Operation is powered by the 18 V Metabo CAS battery system (battery not included).

With digital display

The colour LED display ensures excellent readability of the vacuum level and the load capacity. The colour LED indicator at the edge of the display shows the current operating status.

Type	Description	Dimensions L x W mm (in)	Working Load Limit WLL kg (lbs)	Dead Weight kg (lbs)	Order-Number
SM-HANDY-120	Basic unit with suction plate, without battery and without charger	309 x 171 (12.2 x 6.7)	120 (265)	1.6 (3.5)	58500020
SM-HANDY-120-KFB	as above, with the addition of a wired remote control	309 x 171 (12.2 x 6.7)	120 (265)	1.68 (3.7)	58500021

Measure, align and mark out using professional tools

PAVERMARKER PM

The smart marker for horticulture and landscaping.

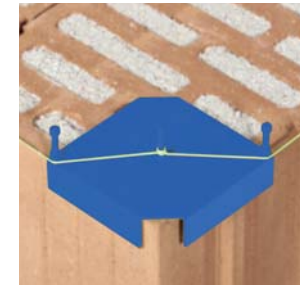

- Marks nearly all concrete products with a constant line thickness, perfect for pavers
- Suitable for dry and wet surfaces
- Unbreakable – embedded with glass fibres
- Wear-resistant, one PM marks thousands of paving stones

Type	Dimensions mm (in)	Packaging unit	Order-Number
PM	120 x 30 x 2 (4.72 x 1.18 x 0.07)	Pieces 5	51800069

STRINGTIGHT SB

The stringing aid for precise alignment.

- The practical tool for paver laying and masonry work
- Made of steel, powder coated
- Adjustable distance of the string line laterally and vertically
- With string line take-up and functional slot to place a level on

Type	Specifications	Dimensions mm (in)	Order-Number
SB	The kit contains 2 metal brackets, 1 roll of Nylon line: thickness 1,4 mm with a length of 100 m	120 x 120 (4.72 x 4.72)	51800071

Measuring and Marking Tool MAL

An essential tool for precise measurement and marking of paving stones and panels, along lengths and around angles.

- Easy and quick transfer of angle and distance of the cutting edge

Type	Dead Weight kg (lbs)	Order-Number
MAL	0.58 (1)	51800026
